ENERGY AND ENVIRONMENTAL ECONOMICS, INC.

New York, NY

Associate

Liz Wilson joined E3 in 2021 and will support E3's Climate Pathways work. She recently graduated with an MPA in Environmental Science and Policy from Columbia University. Before graduate school, Liz worked at a non-profit Alzheimer's center in Tennessee, and briefly as a research assistant on a project examining gender roles in the African energy sector. As an undergraduate, she studied physics at the University of Oxford.

CONSERVATION INTERNATIONAL

Remote

Capstone Project

January 2021 – April 2021

- Consulting with Conservation International, Ecuador to analyze carbon pricing strategies for nature-based solutions
- Built / interpreted financial models to compare revenues from different carbon pricing strategies

NET IMPACT

Remote

Director of Projects

January 2021 – April 2021

- Oversaw three graduate consultant teams in sustainability and energy projects
- Served as liaison between clients, project managers, and board members to organize workshops and problem-solve issues as they arise

Project Manager, Virimodo

September 2020 – December 2020

- Managed a team of six graduate students in a consulting project for Virimodo, an energy analytics and renewable energy start-up, developing efficient working relationships with the team members and the client across multiple time zones in a fast-paced project
- Conducted research and developed marketing materials and online content for expansion into property management and PropTech customer segments

JENNYE GREEN, SUSTAINABLE ENERGY SOLUTIONS

Remote

Research Assistant, Gender Mainstreaming in the African Energy Sector

January 2020 – March 2020

- Compiled interview and survey results about gender equality in the energy industry in Africa
- Created a survey for employees within the energy industry about their experiences of gender equality

ABE'S GARDEN ALZHEIMER'S AND MEMORY CARE CENTER OF EXCELLENCE

Nashville, TN

Marketing and Development Coordinator

August 2016 – July 2018

- Contributed to the launch of two new memory care programs by assisting with grant applications, developing and managing program budgets, and helping develop plans for program implementation
- Boosted social media presence and engagement and drafted regular donor communications
- Maintained confidential and sensitive information databases, including use of DonorPerfect
