ENERGY AND ENVIRONMENTAL ECONOMICS, INC.

Boston, MA

Consultant

Andrew Solfest joined E3 in 2022 and will support E3's work in distributed energy resources and electrification. Andrew previously worked with Xcel Energy's energy efficiency and renewables team, administering Midwest community solar programs, coordinating project development, and helping institutional and residential customers achieve their clean energy goals. Prior to joining E3, Andrew completed an M.P.A. in Environmental Science and Policy at Columbia University, where he researched decarbonization pathways for the United States and developing nations and worked with the Natural Resources Defense Council on hydrofluorocarbon emissions policy. In addition to his M.P.A., Andrew has received a Bachelor of Science in Business and a Bachelor of Arts from the University of Minnesota.

NATURAL RESOURCES DEFENSE COUNCIL

New York, NY

Graduate Student Consultant – Hydrofluorocarbon Management Project

January 2021 – April 2021

- Researched international initiatives and policies to reduce the climate impact of chemical refrigerants
- Interviewed industry experts on key considerations for managing hydrofluorocarbon emissions
- Drafted memos and reports for NRDC use, providing recommendations for life-cycle management of HFCs

COLUMBIA UNIVERSITY

New York, NY

Graduate Teaching Assistant

September 2020 – May 2021

- Provided guidance for undergraduate student research into issues on sustainable development and environmental ethics
- Led weekly discussion sections on research methods and graded term papers and presentations

BAMBOO TECHNOLOGIES

Seattle, WA

Paid Search Analyst (Search Engine Marketing)

October 2019 – May 2020

- Built and managed digital advertising campaigns for clients on Google and Microsoft Advertising platforms
- Analyzed market trends to set campaign budgets and optimize bid targeting and creative content
- Leveraged Google and Facebook Analytics platforms to provide insights on core customer audiences
- Worked with Account Managers to develop holistic and long-term growth strategies for client accounts

FRENCH MINISTRY OF NATIONAL EDUCATION – ACADEMIE DE MONTPELLIER Alès, FRANCE
English as a Foreign Language Teaching Assistant October 2018 – May 2019

- Taught English to French secondary students at the Collège Jean Moulin in Alès
